## Education

---

### Wichita State University - Wichita, KS

Expected Graduation: May 2025

Bachelor of Science, Computer Science. GPA: 3.71

Dean's Honor Roll List: 5 out of 6 semesters

Relevant Coursework: Software Engineering, Object Oriented Programming, Data Structures, Programming Paradigms, Web Programming, Linux, Cross-Platform Mobile Development, Operating Systems, Design & Analysis of Algorithms.

## Experience

---

### Envision

Wichita, KS

#### Information Technology Intern

February 2024 - Present

- Strengthened teamwork skills when collaborating with associates to efficiently resolve application issues and when leading daily group meetings.
- Automated tasks using PowerShell scripts, reducing manual effort and improving operational efficiency.
- Contributed to database management tasks in SQL Server Management Studio, including data entry, cleanup, and performance optimization for efficient data retrieval.

### Amazon

Wichita, KS

#### Delivery Station Warehouse Associate

December 2022 - Present

- Developed leadership skills by training new hires and managing daily workflows.
- Adapted to new roles and responsibilities, demonstrating flexibility in a dynamic work environment.
- Worked with managers to suggest and implement operational improvements, increasing warehouse efficiency.

### Wichita State University

Wichita, KS

#### AI & Machine Learning / VEX V5 Robotics Engineering Camp Volunteer

Summer 2024

- Assisted students in designing deep learning architectures for computer vision and natural language processing tasks.
- Guided students through building and programming robots using VEX V5 kits, focusing on movement control and sensor integration for object interaction.

## Projects

---

### Mantis Fitness Gym App

Summer 2024

- Built a React web application that generates personalized workout routines based on user-selected fitness goals.
- Integrated a dynamic, aquatic-themed UI and deployed the app using Netlify.
- Leveraged React Hooks and state management to ensure a smooth user experience.
